

Partner with the Amherst County Fair!

The Amherst County Agriculture Committee is pleased to announce the
2019 Amherst County Fair!

The 2019 Amherst County Fair will be held August 15-18 in Amherst.
We expect thousands of individuals to be in attendance again this year. Approximately 15,000 attended last year's Fair! Plans are underway for a fun-filled event that will include agriculture competitions, midway rides, carnival food, strolling entertainers, local vendors, and a fabulous lineup of live music at the same location as last year...Sweet Briar Drive in Amherst!

Sponsorship of the Amherst County Fair will provide marketing opportunities for your business and it will also ensure a successful event. Our mission is to provide an agriculturally focused community event with a nostalgic and family-fun theme. Sponsorship donations will help secure musicians and other entertainment, as well as, necessary fairground equipment and supplies.

There are several levels of sponsorship to choose from as indicated on the accompanying sponsorship form. The exposure and visibility provided to our sponsors include: special recognition before and during the event in printed materials and online, banner display, exhibit space, admission and ride passes and more. Businesses that are supportive and engaged in their community enrich the quality of life in Amherst County and make events like our County Fair possible. We look forward to letting the community and visitors know how much we appreciate your support!

Sincerely,

Jeff Floyd, Chairman
